## Messages of Love January 2024 Issue 332

### Editorial

### THIRTY YEARS OF THE SACRED HEART HOUSE!

#### Thirty Years

This year we are celebrating thirty years of the House of Prayer! Many wondrous things have happened throughout those years and Jesus has done so, so much within that time. Throughout this year, we hope to have articles from servants or helpers telling their stories.

#### The Messages

The Messages this month are full of hope. Our waiting time is almost over as Jesus tells us He is about to remove the lock from His Words, put there by the world, that has stopped His people from speaking His Truth! He encourages us, again, to die to the sin within us and reminds us that the wages of sin is death eternal.

He simply tells us this Truth but the decision to follow Him, or not, is entirely ours and ours alone. He will never force us. One very moving thing He says is that He will Love us anyway, throughout eternity, whether we choose to follow Him or not. How could we not love such a God!

#### Patricks Writings

The two Patricks have written two articles this month. The first, "The Man Who Walks" is an explanation of a vision Patrick has been having over the last while. The second article, "Ecce Homo! Behold The Man" is a reflection written about Jesus, the King of Love, an image given by Jesus within the thirty years the House of Prayer has been opened.

# *The Messages of Love*

as given to the two Patricks

## **Monday 1 January 2024**

Have faith in Me and only believe in My Truth, the Truth of My Gospels. Do not believe that, that is promoted by the deceivers who have entered My Church under a veil of lies and now only promote sin as Truth. They are brigands and thieves and will pay for their deceit.

Pray, children, that they repent before it is too late. Trust Me and walk the Path of Truth I set before you.

Trust Me.

I Love you.

## **Tuesday 2 January 2024**

My children, listen to these, My Words of Truth, and see this world as it changes, more and more, with each day that passes. This world is now a dark and evil place where My people are persecuted for believing in the Truth. I have told you of this time

and now it is upon you.

My Justice will now cleanse the darkness and all those who refuse to repent. Pray, children of Mine, for your brothers and sisters who are caught in the darkness; pray that they repent, before it is too late.

I will destroy the knowledge of this generation: all that you think that you know and understand will be useless to you. I will show how little you truly know and understand. I will show you how evil your science is, as they murder the innocent in their quest for knowledge. The Days of Justice are now upon you.

Prepare.

I Love you.

## **Wednesday 3 January 2024**

### **Feast of the**

### **Holy Name of Jesus**

My children, have faith in Me, your God, and do not believe the new teachings. Remember, I told you: I am the same yesterday, today and forever. My Teachings do not change. Those, who teach a new gospel, have blinded themselves to the Truth, they are walking the path to hell and drawing many poor souls with them.

Pray, children, there are so many entering the gates of hell, now.

Never before have so many been lost every day. It comes to an end, I will put a stop to the evil of this generation and, I say to you who are willing to listen, prepare. I Love you.

#### **Thursday 4 January 2024**

My children, see Me as I am. I am the Truth that never changes. I am the One whom they are trying to destroy for they have lost sight of who I am. I am impossible to destroy for, I am the very blood that runs in your veins. I am the cement that holds all creation together. Remove Me and there would be nothing, not even dust for, I am what holds the dust, so it can be.

Can you not see? You cannot hide from Me for I am a part of everything. I am the Truth. Trust Me and do not listen to the evil men and women who would change My Truth to suit their sinful lifestyle.

Trust Me and do not listen to those who call themselves cardinals, bishops, priests, brothers and nuns but change My Truth into a lie for they do not follow Me but follow the path that lucifer sets before them.

I am the Truth and I do not change. Be Warned for, I will put an end to the evil and all those who follow it. I am giving all the time to decide who you want to follow. The decision is yours but, if you decide to follow the lies, you shall be cast out for all who stain the Truth with their lies, will have no part of My Kingdom. Be Warned,

children, I speak Truth in these Words so that all know their fate if they reject Me.

I am God and no one enters My Kingdom who has not tried to live the Truth.

You judge yourselves by your actions on this earth. Repent and come, follow Me.

I Love you.

#### **Saturday 6 January 2024**

Children of Love, I call you to listen to the Truth. I have told you the Truth of what would happen if this world would not listen, within My Scriptures and these Words. I have told you what would happen to My Church and, now, My Church is controlled by a man of sin.

I have told you all this but, even though you can see, very few are taking the time to listen and prepare. Do you know what comes next? This I have also told you.

Prepare, children, for no one on this earth can comprehend what is about to happen. I will take away what mankind thinks he knows and understands; all will be given a chance to return.

Prepare, children, or you, too, will stand in confusion. Trust Me, time is short, prepare.

I Love you.

#### **Monday 8 January 2024**

Have faith in Me, children, as you see My Words come to pass. Now, I will fulfil all My Words and My people will have Freedom.

Trust, children, not one will be lost who desires to follow Me in

Truth. I will seek out all those who call to Me and I will guide them to the safety of My Fold. Trust Me, children, and prepare. I Love you.

### **Tuesday 9 January 2024**

Children, I call you to look at the Words I speak and see the time that you now live in.

Has the great falling away not begun?

Has My Church not been invaded by those who approve sin over Truth?

The one who leads My Church preaches apostasy.

Look, children, are you ready for the next step?

Prepare, children. I can but tell you, I will not force you to prepare. If you are not prepared, you, too, will seek help rather than being the one who helps. I speak Truth and, soon, you shall see the light of My jewel as I shine My Light into this world through it. This is when My Houses of Prayer will shine in every nation of this world.

Prepare, children, remove the block that blocks you from coming to Me. Sin is what you seek to remove. Believe Me, children, I Come to free the nations of this world.

Prepare.

I Love you.

### **Tuesday 9 January 2024**

My people, believe in My Truth for it is only My Truth, that will lead you through the Gates of Heaven. The false truth, that is

now promoted in My Name, will only lead you to the gates of hell. Trust Me when I say, sin will never be accepted as Truth and, when I am asked to Bless sin, this I will not do. Remember, no human has the power to bless, it is I, who bestow the Blessing, through the one who asks.

I tell you the Truth, there are many who wear the robes of My Church who are walking the road to hell and taking many with them. Mankind, I am about to show you what little power you truly have. I will show you the Truth. The Messages to this generation, that I give through My two, are about to be shown for the Truth that they are.

Prepare, children. I, your God, now stand on the threshold and am about to change all that you know and understand.

Believe and prepare.

I Love you.

### **Tuesday 9 January 2024**

My Messages of Love will be seen as they are and My Houses of Prayer will shine out into this world of darkness. I will shine My Power into this world through My jewel and this world will see and know the Power of their God.

I am the only Power in Creation. All Creation must obey Me, yes, even the fallen, the demons, must bow down before Me and you, mankind, have angered Me, your God, with your evil.

I will show you; you have nothing. What you think power is, is but smoke on a breeze.

Prepare, mankind, I, your God, now walk this earth and nothing is hidden from Me. It has begun and now all will be seen as it is.

Trust Me.

I Love you.

Repent!

### **Wednesday 10 January 2024**

Children, I come in these Words to tell you the Truth to guide you upon the Path that leads to the Kingdom of your Father in Heaven.

Trust Me, children, and do not be caught up in the traps of lucifer. Do not take on the lies being promoted in this time. I am the same yesterday, today and tomorrow. I do not change. So do not listen to the deceiver who now sits on the Throne of My Peter. He is but a liar who is controlled by the desires of self; a puppet of lucifer whom lucifer uses to destroy the Truth of My Church, My Gospels.

Prepare, for I am about to show this world that I am the Power and all creation obeys Me and not the understanding your science has of it.

Trust Me, children.

I Love you.

### **Thursday 11 January 2024**

Trust in Me, your God, and walk this Path of Truth I set before you. Dying to self is removing the sin from your life. The more sin you remove, the more the scales will fall from your eyes and the better you will be able to recognise sin and so remove it.

Trust Me, children, and walk this Path with Me. Sin leads to hell and so the Journey with Me is about removing sin, then I can use you to help your brothers and sisters who wish to walk the Path.

Trust Me.

I Love you.

### **Friday 12 January 2024**

Have faith in Me and fight for My Truth in your life.

Trust Me and do the things I say and you will not fail.

Trust Me.

I Love you.

### **Friday 12 January 2024**

Have faith in Me, children, and know I am with you, when you seek Me in Truth. So many block Me but, yet, say they follow Me but they do not want to follow My Truth. I am the Truth, if you try to change or justify changing of the Truth then you only live a lie.

Look, children, I force no one to follow Me; I have given all free will to decide but it has come to the point where the governments and the rich of this world no longer give My people freedom to decide and, so, I must put an end to their control for they are but the puppets of lucifer.

I will bring this time of persecution to an end. Trust Me and walk this Path with Me, all is changing.

Trust Me.

I Love you.

### **Saturday 13 January 2024**

#### **Weekend of Love**

My children, you are welcome to

My Heart, you are welcome to sup with Me in this House that I have provided. I ask of you to leave self outside the doors of My Heart for it has no place here. With it, leave all slander and gossip; it has no place within these walls.

Within this Heart is a place of comfort and a haven for those who need My Love. I have given each of you the Grace to love one another in My House and, this Day, I give it to you as a Command:

34 “A new command I give you: Love one another. As I have loved you, so you must love one another.

35 By this everyone will know that you are my disciples, if you love one another.”

*John 13:34-35*

This must be so, if you are to do the Work that I set you, in the times ahead. If you set store in self then you will not see the Work I have called you to. Self blinds you, My children, for self cannot see that, that I wish you to know:

8 “For my thoughts are not your thoughts, neither are your ways my ways,” declares the Lord.

9 “As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts.

*Isaiah 55:8-9*

If you think that your thoughts are My Thoughts, then you are blinded with self for many in this world, in these days, put their own thoughts ahead of Mine and thus, My Ways become your ways. With all the knowledge that you think you have gained about the times to

come, you have gained nothing for, the Father, alone, knows the times and dates of what is to come.

This House and all My Houses are the refuges that I provide for My Love to live in. They are like gardens that are in a city; they are beacons on the hilltops that give light to see My Way. My Way is the way of the narrow Path, My Way is the way of self sacrifice and humility. My Way is a way that you need to learn: you must learn to trust, without seeing, without knowing for trust in Me is allowing Me to be your eyes and knowledge. This is the trust of a little child and you must become that little child, you must trust Me with all your heart. Your knowledge of worldly and spiritual things – that you think are Mine – will be as useless to you as money in the days ahead. But, if you trust, as a little child does, then I will take you through it. If selfish thoughts consume you, you cannot trust.

Behold, as the eyes of servants look unto the hand of their masters, and as the eyes of a maiden unto the hand of her mistress; so our eyes wait upon the LORD our God, until that he have mercy upon us.

*Psalms 123:2*

Those who become little are those who will enter the Kingdom of God: these will be called the “obedience of God” for they have put all earthly things under their feet and have taken Me as their path. Dying to self is giving up all other paths in order to walk Mine alone.

I am the Shepherd who leads you in these days but few follow, few trust and still less than few die to self.

I Love you, follow Me.

### **Sunday 14 January 2024** **Weekend of Love**

Repent, My children, of all these things that you put in front of Me. See who I am and come to Me. My Heart is waiting for you. These are dark days that you live in and you must learn much before they end.

My children, begin to see that I am the Shepherd who calls you to deeper things, I call you to love beyond yourself, to love beyond what self dictates to you. For so long, you have been the slave to self that you are blinded by it and you cannot see Me.

Begin with little things: deny yourself the littlest things, things that you take for granted and do not see as harmful. Deny them and you will begin to see the greater things that need your attention.

Look deeply at these Words:

1 “Very truly I tell you Pharisees, anyone who does not enter the sheep pen by the gate, but climbs in by some other way, is a thief and a robber.

2 The one who enters by the gate is the shepherd of the sheep.

3 The gatekeeper opens the gate for him, and the sheep listen to his voice. He calls his own sheep by name and leads them out.

4 When he has brought out all his own, he goes on ahead of them, and his sheep follow him because

they know his voice.

5 But they will never follow a stranger; in fact, they will run away from him because they do not recognize a stranger’s voice.”

6 Jesus used this figure of speech, but the Pharisees did not understand what he was telling them.

7 Therefore Jesus said again, “Very truly I tell you, I am the gate for the sheep.

8 All who have come before me are thieves and robbers, but the sheep have not listened to them.

9 I am the gate; whoever enters through me will be saved. They will come in and go out, and find pasture.

10 The thief comes only to steal and kill and destroy; I have come that they may have life and have it to the full.

11 “I am the good shepherd. The good shepherd lays down his life for the sheep.

12 The hired hand is not the shepherd and does not own the sheep. So when he sees the wolf coming, he abandons the sheep and runs away. Then the wolf attacks the flock and scatters it.

13 The man runs away because he is a hired hand and cares nothing for the sheep.

14 “I am the good shepherd; I know my sheep and my sheep know me—

15 just as the Father knows me and I know the Father—and I lay down my life for the sheep.

16 I have other sheep that are not

of this sheep pen. I must bring them also. They too will listen to my voice, and there shall be one flock and one shepherd.

17 The reason my Father loves me is that I lay down my life—only to take it up again.

18 No one takes it from me, but I lay it down of my own accord. I have authority to lay it down and authority to take it up again. This command I received from my Father.”

19 The Jews who heard these words were again divided.

20 Many of them said, “He is demon-possessed and raving mad. Why listen to him?”

*John 10*

### **Sunday 14 January 2024**

Children, have faith in Me, your God. The time draws close when the Father of All will announce Judgement on this generation for what they have done and accepted into their lives. Never before has a generation become so evil in their thoughts and deeds.

Children, the Father walks this earth and looks upon what His Creation has become but, for the sake of His remnant, He waits, so that all evil lets itself be seen in its arrogance and pride. Then it shall be removed: cut off like a dead branch from a tree.

Trust Me and prepare, children. If you have been trying to prepare, you will understand and be able to help your brothers and sisters who will be in need of help.

Trust Me.

I Love you.

### **THE MAN WHO WALKS**

For the past year or so, Jesus has been showing a vision of a beach. In the vision, a Person can be seen in the distance. I did not know who the Person was, I only knew the Person was walking towards us.

Every month or so, Jesus would show the vision again of this Person on the beach and the Person would be closer for their size was increasing. I simply knew the Person as the “Man Who Walks.” I thought it was Jesus but we could not see His Face or had no understanding of who it was.

As He drew closer, I could feel Power, immense Power, emanating from Him. I knew, in the understanding of the vision, that all creation would bow to Him as He passed, even the demons of hell and lucifer would not look upon Him but would bow down before Him.

His Power was that immense that if He chose to destroy, not even the memory would be left of that, that was destroyed.

About a month ago, the vision was given, once again, of the beach but, this time, it was empty. The understanding that was given of this was, the Man now walked the earth. I was at Mass on Saturday 14 January and Jesus spoke and said, the Man who walks is the Father of All. He also said that He walks the earth, surveying what man has done to His creation and His Church.

Jesus said the Father has not spoken but, soon, He would pass judgement on what mankind has done through sin. The understanding was given that, all in Heaven understood to bow before the Father of All Creation and, that all in hell, understood to bow before the Father of All Creation but, mankind does not bow but, rather, he blasphemes Him, through sin.

We, as mankind, do not understand what is coming but the Power that emanates from the Man Who Walks, Our Father, is that whatever He Commands will be and there is nothing in all creation that can prevent His Will from being done.

Jesus keeps saying in the Messages, we have little time left to prepare, now, we can see why He urges us to prepare for when the Father Speaks, it will be too late for many.

### **Monday 15 January 2024**

My children, have faith in Me, your God, and do not let self control you in the ways of sin. Fight for My Truth in your life and work on removing sin so that you can see the Truth. It is only by seeing My Truth that you can walk the narrow Path. If you do not fight against self and remove the sin, you can never walk the Path I set before you.

The scales must fall from your eyes so that you can see and avoid the traps lucifer lays down for My people; this can be seen clearly in this time. Look at how many say that they are followers of Mine

but they only follow the ways of sin.

Children, when two men or two women join together in union then they blind themselves to the Truth and walk the path to hell. These sins are an abomination in My Sight and so lucifer thrusts man and woman into these sinful unions to mock Me. This is the Truth that cannot be changed: see what lucifer does.

I did not create man for man or woman for woman and, so, you must fight the desires of self for it is self that listens to the inspirations of lucifer and it is he who inspires you to lust after the same sex. Trust Me and die to self and the desires of self will subside and you will overcome.

Children, take up your cross every day and come follow Me in Truth. Trust Me.

I Love you.

### **Tuesday 16 January 2024**

Have faith, children, I have not forgotten you. I have not left you orphans. Trust Me, your God, for I am about to change creation so that this world will have a choice to either believe in Me or reject Me.

So many believe in those who lie to the peoples of this world through their own blindness to the Truth. Your science has been responsible for both the physical and spiritual deaths of millions and, now, will pay the price for their evil deeds.

Trust Me, children, I will fulfil all My Words.

Trust Me.

I Love you.

### **Tuesday 16 January 2024** **Day of Love**

Love one another as I have Loved you, children. This is the Feast of Love that I have given to this world. This Day will be celebrated until the end of time for this world will eventually know and see what I have done for the Love of My children.

Trust Me, children. Love one another and, through this, you will love Me. It is by your actions that you show your love for Me.

Trust Me, children, and love.  
I Love you.

### **Wednesday 17 January 2024**

Children, have faith in Me, your God, and do not give in to sin. Sin is what keeps My people from entering Heaven for, if you are blind to your sin, you will not admit to it. Rather, you will blame Me for your sin and refuse to repent; you will become angry with Me and refuse to see the Truth and cast yourselves into hell in order to hurt Me.

Yes, there are those who say they follow Me and tell Me of their good works but, when I show them the things they did were only to comfort their own pride, they also become angry and tell Me it is their right to enter Heaven. To these I say, go, depart, I never knew you.

Remember, it is sin that blocks you from seeing the Truth. Unrepented sin will block you from entering the Kingdom of Heaven. Repent,

now, while you can, children. Do not leave it until you stand before Me for, if you enter Purgatory to cleanse yourselves, you will suffer the loss of Me for a time until you believe you have paid the price for your sin.

Children, repent now, and see that I have already Paid the Price for you on Calvary and, when you stand before Me in Judgement, you shall be humble and be sorry for any unrepented sin, you shall be Forgiven and, as I said to the Good Thief, come, this day you will walk with Me in Paradise.

I cannot explain to you what Heaven is, children, for there are no earthly words that can explain it to you but, the Joy you shall experience will be for all eternity. Heaven is a place created by the Father for His children. It has no beginning and no end. You can never experience all of Heaven for it never ends and what I say tells you so little for, as I say, there are no earthly words to explain it.

Trust Me, Heaven is the easiest place to enter when you accept what I did by My Passion, Death and Resurrection. You will repent of your sin and try to fight for My Truth in your life. Then, when you die, that day you will be with Me in Paradise.

Trust Me.  
I Love you.

### **Thursday 18 January 2024**

My children, can you not see My Words and My Mother's Words are all being fulfilled? You are all under the spell of lucifer, he has

introduced a society where all have no time for Me, their God. All are in so much debt that everyone must work to simply survive without having time for love of neighbour or love of God.

Look, children, in this time you live in, have the days not shortened, has time not sped up? If I had not speeded up time, you would not have survived the plans of lucifer. Trust Me, it comes to an end, the Father of All now walks this earth and looks upon the deeds of mankind, He sees what mankind has become. Mankind, your Father, is about to speak and pass Judgement upon this generation that has allowed itself to be drawn into so much evil.

Prepare, children of Mine, for, creation is about to experience the True Power of its God. The Father of All will return mankind to the Path of Love and remove all those who refuse to listen.

Trust Me, children.

Prepare.

I Love you.

### **Friday 19 January 2023**

Children, have faith! Let your trust be placed in Me, your God. Trust Me and believe! I will need many hands to minister to those in need. Trust Me, children, and remove the sin from your lives. Do not look at others in order to justify your sin. This must be your own Journey for all are responsible for their own sins.

Blaming others for your sin is a sin in itself; it is bearing false witness. Look into yourself and begin to

remove each sin, one at a time; do not try to take on all at once for you will become disheartened and fall back into your sin.

Trust Me and ask Me for My Help and I will guide you.

Trust Me.

I Love you.

### **Friday 19 January 2024**

Prepare, mankind, for you do not know what approaches. I am the One who speaks the Truth and the Truth is you have angered the Father of All with your evil ways. You think you understand the ways of creation, I tell you the Truth, you do not even understand one percent! Your understanding is minuscule and now you must undergo the trial that you have brought about by your sin.

I speak to you, My remnant, and I say, prepare! I speak to you who have the desire to follow Me. I say, prepare, for all is about to change in ways that man can never understand. Your science will be thrown into confusion; everything that they thought they knew, they will see how wrong they were.

Prepare, mankind, prepare, for the Father of All walks among you.

I Love you.

Prepare.

### **Sunday 21 January 2024**

My children, I am with you and I will undo the locks that this world has placed on My Word. I will give My people a voice and they will, once again, be able to spread My Truth into this world. I will cut through the darkness with My

Light.

Trust Me and prepare, children. It has already begun.

I Love you.

### **Monday 22 January 2024**

Have faith in Me and believe I will overcome the lies of this world. I will reveal all the lies that are hidden, both, within My Church and in all the countries of this world. nothing will be hidden.

Trust Me, all the lies that this world has put before you to disprove My Existence will be smashed. I will show all for the liars they are. All those who have accepted the lies and refuse to repent shall be cast into hell for what they have done to My people. Trust Me, none will escape the wrath of the Father for you have angered the Creator with your evil, that you try to justify.

The two greatest sins that call the wrath of your God down upon you are abortion and the act of homosexuality for both go against creation and are about the destruction of life. Abortion is the murdering of the innocent babies and the act of homosexuality mocks the act of creation by its evil actions.

Listen, mankind: repent of your sin and you shall be Forgiven. Continue on the path you are on and it will lead to your destruction, which is the plan of lucifer for you. You walk the path he sets before you with great willingness.

Repent, mankind, for your days are numbered.

I Love you.

### **Tuesday 23 January 2023**

My children, I Come to bring Peace to the nations of this world but, first, I will remove all who have given themselves over to evil. Trust Me, children, when I say, the greatest part of mankind is now blind and walks the road to hell. I will give all many chances to return. I will shatter the web of lies and give all a time to repent before I destroy the temples of self that mankind calls technology. Trust Me, the God of All walks among you and He sees what mankind, His people, have given themselves over to. Soon, He will speak the Words of Judgement and all will begin. Everything that you think you know will change and mankind will be in great confusion. This is when I will ask My remnant to go out to the highways and the byways to invite all to the Banquet of the Lord, their God.

All who listen will be Saved and those who refuse to listen will be cast into the pit of fire, created for those who refuse to accept the Love of their God.

Trust Me and prepare for the Days of Gathering fast approach.

Trust Me.

I Love you.

### **Wednesday 24 January 2024**

Have faith in Me, children, and do not worry about the things of this world. When you walk with Me, I will look after you. Doors will open that were closed and doors will close that would take you on

the wrong path. I will guide you.  
Trust Me and come walk this Path  
of self-dying with Me and your  
life will change and the things of  
this world will cease to have a hold  
on you.

Trust Me, children of Mine, and  
come walk with Me.

I Love you.

### **Thursday 25 January 2024**

Have faith and believe in the  
Words I give to you through My  
two. Soon now, you shall see the  
fulfilment of many of My Words  
as My Houses are seen by this  
world. My Spirit will ignite them  
and they shall shine their Light  
into the world. I tell you the  
Truth, I will put an end to the lies  
and My Truth shall be seen, once  
again.

Trust Me, children, and prepare.

Trust Me.

I Love you.

### **Friday 26 January 2024**

Trust in Me, children, and have  
faith in Me, your God. All I have  
said will come to pass. All that My  
Mother has said will be fulfilled.  
Even now, so many of Our Words  
have been fulfilled.

Have faith, children, and know your  
God is with you. You now truly  
live in a world of great darkness.  
Never before has mankind allowed  
himself to fall into so much sin.

Sin is accepted as normal and  
truth. Sin is evil and anyone who  
walks the path of evil will end up  
in hell. This is Truth. The things  
you argue about and try to justify  
as right, are leading you to hell.

Sin is the same yesterday, today  
and tomorrow; it never changes.  
Yes, sin is the same in your time as  
it always has been.

Wake up for so many of you blow  
through the gates of hell every  
day, like a great sandstorm. So  
many are being lost because of  
your modern day thinking.

Children, there is no such thing as  
modern day for every generation  
thinks they live in modern times  
but, it all remains the same. My  
Church cannot change with your  
modern times because sin is sin,  
no matter the time.

Look at My Church: it is darkened  
by those who accept sin as Truth  
but they, too, are walking the road  
to hell and taking many souls  
with them. Wake up see the Truth  
and repent. Remove the sin from  
your lives and your thoughts and  
come walk with Me on the Path to  
Eternal Life in Heaven. I am the  
Way, the Truth and the Life. My  
Ways never change.

Stop listening to those who are  
justifying sin for they are walking  
the path to hell and try to take you  
with them. Wake up, children, and  
prepare for I am about to give My  
people a voice.

Trust Me.

I Love you.

### **Saturday 27 January 2024**

Children of Mine, trust in Me,  
your God, and have faith that I will  
lead you, My remnant, through  
this time of darkness. Trust that  
I will fulfil all My Words and  
give you, My people, a voice. The  
peoples will look, once again, at

My followers and wonder at the many wonders that surround them for My Power will, once again, rest upon My people. Trust Me, many will return to the safety of My Fold before I am forced to destroy this evil generation. Their very memory will be gone for mankind will look upon them with fear of ever walking their path.

Trust Me, the Power of the Creator, the Father of All, will be seen, once again, as I am forced to remove the evil and return My Creation back to what I created in Love.

Trust Me and prepare.  
I Love you.

### **Monday 29 January 2024**

My children, it is your God who calls to you in these Words. I ask that you return to Me and My Ways. I call you to the Way of Love. Love one another as I have Loved you. Remember, I Died for every person on this earth, no matter what they have done. I Died for My enemies; this is the way of Love. Love does not pick and choose who to Love. Love simply Loves all, equally.

Trust Me and come walk this Path of Love with Me.

Come, trust.

I Love you.

### **Tuesday 30 January 2024**

Wake up and see the Truth of My Words that I speak to you. Many Words have been fulfilled and many more are still to be fulfilled. Children, you must ask yourselves this question:

Do you want to be with Me in Heaven or do you want to spend eternity in hell where you shall be consumed with unjustified anger at Me, your God?

If you want to be with Me in Heaven then you must reject the sin in your life. Do not try to justify sin for sin is darkness, sin is evil and, it is the path to hell. If you justify your sins, then you are walking the path to hell.

This is the Truth that so many do not wish to hear and so, reject these My Words of Truth as nothing but threats. I do not threaten, children, I simply tell you the Truth that if you live a life of sin, you shall go to hell.

If you live a life of love, of dying to self - in other words, fighting against the sin in your life - then you shall go to Heaven; it is as simple as this.

Accept sin and you go to hell; reject sin, you go to Heaven; it cannot be any more simple. This is not a threat but a statement of Truth. The choice is yours.

When you feel anger rise within you at My Words, then self is trying to justify the sin that you know is within you and, so, you become angry at what I say.

Be Warned, children, when you feel the anger rise within you; you are on the path to hell. I do not force you to follow Me, I have given you free will. I speak the Truth, it is up to you whether you accept it or not but, know this, I will Love you the same for all eternity, no matter your decision.

I Love you.

## THE MAN WHO WALKS

For the past year or so, Jesus has been showing a vision of a beach. In the vision, a Person can be seen in the distance. I did not know who the Person was, I only knew the Person was walking towards us.

Every month or so, Jesus would show the vision again of this Person on the beach and the Person would be closer for their size was increasing. I simply knew the Person as the "Man Who Walks." I thought it was Jesus but we could not see His Face or had no understanding of who it was.

As He drew closer, I could feel Power, immense Power, emanating from Him. I knew, in the understanding of the vision, that all creation would bow to Him as He passed, even the demons of hell and lucifer would not look upon Him but would bow down before Him.

His Power was that immense that if He chose to destroy, not even the memory would be left of that, that was destroyed.

About a month ago, the vision was given, once again, of the beach but, this time, it was empty. The understanding that was given of this was, the Man now walked the

earth. I was at Mass on Saturday 14 January and Jesus spoke and said, the Man who walks is the Father of All. He also said that He walks the earth, surveying what man has done to His creation and His Church.

Jesus said the Father has not spoken but, soon, He would pass judgement on what mankind has done through sin. The understanding was given that, all in Heaven understood to bow before the Father of All Creation and, that all in hell, understood to bow before the Father of All Creation but, mankind does not bow but, rather, he blasphemes Him, through sin.

We, as mankind, do not understand what is coming but the Power that emanates from the Man Who Walks, Our Father, is that whatever He Commands will be and there is nothing in all creation that can prevent His Will from being done.

Jesus keeps saying in the Messages, we have little time left to prepare, now, we can see why He urges us to prepare for when the Father Speaks, it will be too late for many.

## ECCE HOMO! BEHOLD THE MAN!

The word “Behold” is an old word and it literally means to see, to look at, to look *on*; to *really* look at and take something from; to gaze on and be impressed. Gazing into the Face of the King of Love, one cannot fail to be impressed: the damaged Eye stands out. The Eyes of Jesus, as portrayed by the artist, shows that while we behold this wretched, Bloodied Figure, He, in His Love, beholds us! He looks at us, beholding what He sees there, in the depths of our souls. Is it love?

Does the penetrating Gaze of Christ find a place in our hearts? Do our souls leap within us at

the sight of Him who Loves, as did John, the Baptist, leap in Elizabeth’s womb when the Mother of this Bloodied King came to visit? His beholding of us is an etching on our hearts of how deeply His Love is prepared to go, to Suffer, to Die. It is a statement of declaration of what He intends to do.

Ecce Homo! Behold the Man, is an invitation to gaze on this beaten and seemingly defeated Man. His Loneliness, His Aloneness, in what He is about to take on, for our sake, shouts at us to give love for Love, to, not just behold Him, see Him, be impressed by Him but to become like Him, to *live* Him:

“You shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.”

The second is this, ‘You shall love your neighbour as yourself.’

There is no other commandment greater than these.”

*Mark 12:30-31*

Jesus gave a Message on:

**Sunday 19 January 1997**

...Look at Me, the King of Love. See My Wounds. I have presented this Image for the world to see.

Look deeply, children; it is your God...

This is an invitation for us to behold Him in this Image, an invitation to see Him as He really is. He is God, He is the Wounded One, the Bloodied One, who comes to Save us; there are no stones left to be unturned. He wants us to BEHOLD HIM, to see Him, without the sinful, blinded hearts that we have. In order to see Him, to behold Him, we must die to self. In beholding Him through self, we have a somewhat distorted view of Him. Self only sees itself and is like cataracts on the eyes which distorts the vision in such a way that we perceive only what the cataracts allow us to see. Cataracts block the light, that we need to see, from entering our eyes and so, we live in a darkened state, only seeing what the cataracts allow us to see.

In beholding this Image, we must begin to die to self because self has blinded us to the things this God seeks from us. How could we see His Wounds, suffered for us, when we can only see our own wounds? How can we look on Him, believing in Him, while self sits on the throne inside us? This is the Image of our God and how He Loves us.

### **Sunday 26 January 1992**

...Look at the Crucifix; see the Love poured out. It is a photograph of Love. It is Me. It would please Me much if you would look at it often and soothe Me with your sorrowful love. Come, I give you All...

In beholding Him in this Image, we tend to look less at ourselves. We tend to concentrate more on Him and what He is portraying to us. Jesus asked for this Image to be painted to His specific Instructions so that He could draw us through it, draw us IN to it, thereby allowing us to see what He needs us to see.

His Sacred Body has lost much Blood and is very weakened by the loss. He sits, barely able to hold Himself up. Jesus did not HAVE to Suffer and Die for us but He DID because He Loves us.

As we look deeper into the Image, without self, we begin to hear Him saying:

### **Sunday 26 January 1992**

Come, drink. I Promise you all of My Life and My Love will be contained therein.

Pray for those who do not love Me, who scorn and mock Me, as I was mocked before. *I was King of Love then, I still am He.* I penetrate you with My Love, My Spirit, My All. I have not left you orphans, no, I have gathered you into My Love. Do not stay out in the cold. Come into the warmth that glows there, the Fire of My Love never goes out. You will always be filled with My Warmth, eternal Love.

Come, do not block My Way with unlove. Listen to My Words. *You will find Love unleashed.* Come, drink Me; come, love Me. I am your Father - be My child, allow Me to enter into your heart. Just look, just sigh and I will come. Like the Good Shepherd, I will leave My other sheep and come

find you by your cries.

Listen in your heart, My child, to My Love beating there for you. It is I who pump Life into you, it is I who fuse you together in your mother's womb. I hear the cries in the darkness; I shed My Light upon you; I heap many Gifts of Love upon you. Stay with Me; be safe in Me. I will hide you deep in My Heart, where no one can touch you, child. I will be your Father, you will be My child. I will Love you tenderly, as only a father knows how.

Sleep in My Arms. There you will find true rest from all your

burdens. Find Me; I am close; just close your eyes, little one. I am there. Recognise Me. I am your Jesus; do not fear; it is I who am All-Powerful. Who could stand against Me - *I, who conquered death through My Love?* It is I, children, the One you cry out to when you stumble and fall and weep tears of bitterness. It is I. You claim to know Me. *You call Me Lord but yet you do not heed My calls.* How many times must I Die for you, My children, before you will look for Me? Ah, I Love you, children, come and look for Me. Close your eyes; I am there.

THIRTY YEARS!!

**The Sacred Heart House of Prayer first opened in February 1994, thirty blessed years ago. Some of the servants have written about their journey to the Sacred Heart House of Prayer. We will print these throughout our Newsletters this year. Here is the first:**

### **Thirty blessed years**

I would like to thank and praise Jesus for thirty blessed years of the Sacred Heart House of Prayer. I want to share how good Jesus has been to me in letting me be a part of it.

I non-intentionally stumbled into a house where Patrick Rushe was - for the first time ever - reading the Messages of Love Jesus was giving to him.

The year was either late 1992 or early 1993 and I was 16 I think. I had been walking my friend home, further than usual, when I spotted my dad's car outside a house. I thought I might be able to get a lift home with him, assuming he was making a quick Saint Vincent de Paul visit. I knocked at the door and the lady of the house smiled at me and invited me in, I said, "no, no, no, just tell my dad

I'm outside and I will wait here and get a lift home with him." I then seen and heard my dad calling me in. I thought to myself, "Omg! How embarrassing!" I was brought into the living room and given a seat on the sofa and tried to figure out what was going on. Much to my dismay, I had entered Patrick O'Kane's Rosary Group! Patrick O'Kane was on the floor beside his wife Pauline, she was sitting on the armchair holding his hand; other people were there whom I recognised from living in Magherafelt and had seen at Mass and there was some dude from Cookstown sitting, not in a seat, but on a hard edge of the fireplace with a book of typed pages in polly pockets, if I remember correctly. People from the Rosary Group kept asking him to read another Message and his response was, "are you sure you want to hear another?" They hungrily cried out "yes, yes!" It was the first time I had heard about 'Messages', I never knew that Jesus actually spoke to people! Patrick was humble and gentle. The Messages were Words of Love pouring from the Heart of Jesus to His children. I was deeply touched. My heart burned within me. A seed had been planted.

### **Darkness caused by my sin**

The next three years of my life grew in darkness caused by my sin. I went to tech and embraced alcohol, drugs, parties and the rave scene with both arms. I became so depressed that I planned to commit suicide. I didn't tell anyone. I went

to bed with a statue, numerous holy objects, a brown scapular, a bottle of alcohol and a feed of pills. My attempt was unsuccessful and I woke up vomiting and had a painful stomach for a couple of weeks. I didn't want to live. What would I do now, since I couldn't even kill myself right? I decided to join the missions and get as far away as possible. A quick search in the yellow pages lead me to the 'Franciscan Missionaries of Mary.' I went on a retreat to their convent in Belfast. The convent was a house on a busy road in Belfast. It wasn't like a "convent" I visualised in my head. I also went on retreats to their convent in Dublin which was a house in a housing estate. The nuns gathered in a living room for prayer, they were elderly and nodded off easily. I felt disappointed as it wasn't what I had expected life in a convent to be like. The nun holding the retreat advised us to do things in our parish, get involved in helping the community. Those words always stuck in me.

### **A House of Prayer for His Message Groups**

Meanwhile, Patrick O'Kane was driving Patrick Rushe to various prayer meetings all over to share these Messages of Love. There were Message Groups popping up in people's houses throughout the district. Patrick Rushe had prayer meetings in the kitchen of his small council estate house. Jesus told him He wanted a House of Prayer for His Message Groups to come together to. It made sense

to get a place because Patrick's house couldn't hold all the people who came to hear these Messages. Although it seemed impossible to Patrick, Jesus got a House in the centre of Cookstown. It opened in February 1994.

There was a Prayer Room on the top floor; a couple of living rooms on the middle floor; a shop, office, kitchen and toilet on the bottom floor. I would have gone to the odd prayer meeting but I couldn't relate to a lot of the people who came to these. They would ask me something and, as I began to answer their question, I was dropped like a hot potato when someone like Patrick entered the room. They thought he would somehow float up to the ceiling and take them with him. However, the Prayer Meetings were out of this world. The Presence of Jesus was amazing. He filled the room with Himself during the silence.

### **So exciting and fresh**

In 1995, when I was nineteen, I was walking to the bus to take me to tech and decided instead to go to the House of Prayer in

Cookstown. There was a different type of people there during the day. The people who had the Message Groups came during the day to help with the work at the House of Prayer: clean, paint, sand, varnish, put the Messages out, or whatever else needed to be done.

I met a couple of friends from Meath, who drove each week for about two hours there and back, to pray and help out at the House of Prayer. There was a young mum who came who lived about an hour away. She was so in love with Jesus and she taught me to work for Him. We had sanded and varnished wooden wall panels and we felt such joy doing this for Jesus. This was all new to me as I only ever did things for myself. There was a young boy my age who was really enthusiastic about starting a youth prayer group and I wanted to help in this too. There were people photocopying the Messages and laying each page out wherever there was space, collated by hand and stapled, in preparation for meetings the Patricks would

go to. They were also put together and sent out with a page at the front with any news. That was the start of the Newsletter. It was a hub of activity and Jesus was at the centre of it all. Jesus would often ask for changes to the House like

the ripping up of carpets, laying down of wooden floors. One day you could have done a great job cleaning the downstairs toilet, the next day you came back, the toilet would have been toppled and there would be dust everywhere as the Patricks came down after prayer and knocked down a wall because Jesus asked for it. Everything was so exciting and fresh. There was such joy and love. I just felt right at home here and I left tech and have been at the House of Prayer since.

Patrick O'Kane started to get Messages from Jesus too.

### **Habit of Humility**

Jesus asked us to wear sandals and brought in Community Prayer times.

He asked us to read the book 'Little Flowers of Saint Francis' and we learned about the humility of Saint Francis, Saint Clare and the brothers minor. He was preparing us to wear the Habit of Humility. I remember the day we first wore the Habits and Blue Cords, we felt so embarrassed. A bunch of us were upstairs and none of us wanted to go downstairs to serve the people who came into the shop!

### **Saint John of the Cross building**

In 1997 I believe, we were so amazed at the volunteers who came over from England to help build Saint John of the Cross building. It was so exciting. Jesus had asked for an outside wall to come down as it wasn't safe but everyone said it was fine. Next thing, the wall fell of its own

accord, well Heaven might have had a hand in it.

Jesus gave us a Well with Holy Water which healed people and Blessed Oil to give out to those who need healing. He gave us the Chaplet of Love and other prayers, the Medal of Love and Images like the King of Love and Mary, Patron of the Aborted. He even gave songs and a music ministry. He established the austere pilgrimages to Garabandal which is our second calling.

The Gathering Place soup kitchen was crazy in the beginning.

### **The Patricks**

The Patricks have remained the

same down-to-earth, humble men who get stuck into the work, they never floated off, well not to my knowledge anyway.

They have never been afraid to defend Jesus, to get across what He wants and speak the truth to us, that has often been met with anger, justification and resentment but, when I get over the hurt I feel, take it to Jesus in prayer, He helps

me see where they are coming from and that I'm not as perfect as I'd like to think I am.

When letters came in to the House from people, Patrick always told the servants opening them not to see the donations sent in but to read the letter, that soul is more important than the money.

The Patricks also instructed when HoP shop Nearly New Clothes opened that we weren't to go in browsing through the stuff first to take it. But it needed to go into the shop first for a week before we could buy it. This curbed greed.

Jesus taught Patrick how to print and the first thing He wanted printed was pictures of His aborted children. When he got the printer going, Patrick couldn't go home, he worked at it to the early hours of the morning because he felt Jesus in the room so excited that he was doing this work for Him. Jesus even gave Instructions on how to charge for the work to be done! (*See Message 1468 in Book 8*). You can read the whole history for yourselves in the Message Books.

### **Our spirituality**

As well as the House growing in size, I believe our spirituality has grown too. He has taught us like we were His intimate friends in the Messages of Love. He asked us to read the Messages of Love at prayer and write any inspirations. I will never forget taking the Message 480 in the red book to prayer, it was entitled "Take a look in Truth at your pride." I told Jesus I didn't have pride, I was humble

but I was prepared to look since He was asking. My prayer time that day was extended! I wrote pages and pages of examples of my pride. Occasions flooded into my thoughts of how filled with pride I actually was. I had the biggest shock of my life! I cried and cried but I didn't feel shamed. I felt free because Jesus had me by the hand as We looked in truth.

Jesus always hints at what we need to die to, what sin we need to kill, what attachment we need to let go of, in a gentle way. We have a choice. We can push that Voice away and pretend we didn't hear it. He won't think any worse of us. He will Love us just the same. Or we can decide to listen to His Voice, obey it, and not only will Jesus help us in every single way possible, He will help us progress until we are in union with Him. That little Voice of His will get louder. He is delighted when we move towards Him. He wants to possess us. He can't come into us with all our clutter.

Jesus has also guided us to read particular things. We learned much in the book 'Fatima in Lucia's own Words' Volume One about how these little children, Francisco

and Jacinta, made so many heroic sacrifices for others to help stop souls going to hell. This past five years we have been learning about mental prayer as in Saint Teresa of Avila's Interior Castle.

### **Thank You, Jesus**

I thank You, Jesus, for the Sacred Heart House of Prayer and allowing me to be a part of it; for all the highs and lows, the good times and the bad, the joys and the sufferings - for they are all a part of this Journey You bring us on to Your Most Sacred Heart.

As I look back, I'm filled with joy and love for Jesus who built this mighty oak tree, well it's still a young sapling. I also think of all those people who were here in the beginning to help me

see Jesus and not go into myself as much. I think some of them are back in the world and I hope and pray they are OK. I hope they still love Jesus. I still see them as my brothers and sisters, we are somehow all connected with His Spiritual, Precious Blood and how good it would be to see them all again. I hope they return here. All Glory to God!

# Root Sin

*We came across the following article on identifying our root sin and we thought it would be really good to share with you in preparation for Lent.*

## **How Can I Identify My Root Sin?**

**APRIL 26, 2010,**

**FR. JOHN BARTUNEK, LC**

Dear Father John, I am not in spiritual direction right now, but I am trying to put together a program of life anyway. Can you give me some pointers about identifying my “root sin”?

You are already on the right track. A program of life is worthless (well, almost worthless, at least) without having identified our root sin. Unless we understand the dynamism underlying our frequent faults and failings, we will never be able to work intelligently to overcome them. It's like gardening. If you want to get rid of the weeds, you can just pull out the stems; you have to get at the roots. Otherwise, progress is short-lived and unsubstantial, and sooner or later discouragement and frustration set in.

In trying to identify our root sin, the wisdom of the Church comes in handy. Spiritual writers through the ages have identified

three possible candidates. Before I describe them, however, it behooves us to make one clarification. All of us, simply because of our fallen human nature, have sinful tendencies linked to all three of the candidates. Saying that we have a “root sin” simply means that for each of us, one of the three is dominant. It's bigger than the others and exerts greater influence on our day-to-day behavior.

That said, here are the three possible root sins: pride, vanity, and sensuality. Pride, in this sense, refers to a disordered attachment to our own excellence. The proud person tends to seek meaning and fulfillment in their own achievements and conquests. Vanity is a disordered attachment to the approval of other people. The vain person tends to seek meaning and fulfillment in being appreciated or liked by other people. Sensuality is a disordered attachment to comfort, ease, and pleasure. The sensual person tends to seek meaning and fulfillment in taking it easy and simply enjoying life. Notice that each of these root sins is a disordered attachment to something. The things in themselves — achievements, relationships, pleasures — are not evil. The problem comes when we

seek meaning and fulfillment in those temporal, created realities. In fact, we are created and called to seek our meaning and fulfillment in God alone, in our ever-deepening relationship with him. Achievements, relationships, and pleasures are meant to be ordered around and towards that principle and foundation of our life. As the Catechism puts it in #27:

*The desire for God is written in the human heart, because man is created by God and for God; and God never ceases to draw man to himself. Only in God will he find the truth and happiness he never stops searching for.*

Again, it is important to realize that we each have tendencies that spring from pride, vanity, and sensuality. None of us is exempt from any of them, because we all have inherited a fallen human nature. But in each of us, one of the three is usually dominant. If we can identify which one, we can better aim our efforts to grow spiritually; we can strive to develop the virtues that counteract the cause, the root, of our falls and faults. We can identify this root sin, also called “dominant defect” by some spiritual writers, by looking at the common manifestations of each. The manifestations which are strongest in your life can clue you in to your root sin.

Below you will find a list of these common manifestations. Read through them once quickly and make a note of the ones that characterize you most. You will find that sometimes you fall into

all of them, but some of them will jump out at you as particularly common or strong in your life. Whichever of the three has more of those is, most likely, your root sin. As you go through this exercise, you may find it more difficult than you would like. That’s because self-knowledge is slippery. And that’s one of the most compelling reasons for finding a spiritual director to help us be objective in our spiritual work. I hope you keep looking, and pray that God will lead you to one.

## **COMMON MANIFESTATIONS OF PRIDE**

- too high an opinion of myself
- annoyance with those who contradict me, brooking no contradictions
- anger if I don’t get my way or am not taken into account
- easily judgmental, putting others down, gossiping about them
- slow to recognize my own mistakes, or to see when I hurt others, and inability to seek and give forgiveness
- rage when others don’t thank me for favors
- unwillingness to serve, rebellion against what I don’t like
- impatience, distance, brusqueness in my daily contact with others
- thinking I am the only one who knows how to do things right, unwillingness to let others help
- inflated idea of my own intelligence and understanding, dismissing what I do not understand or what others see differently
- not feeling a need for God, even

though I do say prayers

- nursing grudges, even in small matters
- never taking orders
- inflexible in preferences
- always putting myself and my things first, indifference towards others and their needs, never putting myself out for them
- centering everything (conversation, choices...) on myself and my likes
- calculating in my relations with God and with others

### **COMMON MANIFESTATIONS OF VANITY**

- always seeking admiration and praise, worrying about not getting it
- excessive concern about physical appearance
- being guided by the opinions of others rather than principle (this is sometimes called “human respect”)
- some types of shyness
- sacrificing principles in order to fit in
- placing too much a premium on popularity and acceptance
- easily discouraged at my failures
- taking pleasure in listening to gossip and hearing about others’ failures
- always wanting to be the center of attention, at times stretching the truth, or lying outright, or being uncharitable in my words in order to achieve this

### **COMMON MANIFESTATIONS OF SENSUALITY**

- laziness
- always the most comfortable,

what requires least effort

- not going the extra mile for others
- procrastination, last-minute in everything
- shoddiness, complaining, excessively affected by minor discomforts
- inability to sacrifice
- not doing my part at home
- expecting everyone else to serve me always
- behavior and decisions ruled by my feelings and moods instead of my principles
- daydreaming a lot with self at center
- unable to control my thoughts when they attract me, even if they are not good
- doing only what I enjoy (choice of food, work, etc)
- uncontrolled and overpowering curiosity, wanting to see and experience everything and every pleasure
- my senses and impulses overrule what I know is right and wrong
- acting out my feelings (frustrations, desires...) with no regard for my conscience, God or others
- only working with those I like, being easily hurt
- fickleness and inconstancy
- can never finish what I start

# Song of the Carpenter

The following is a serialisation of the 'Song of the Carpenter,' a novel inspired by Jesus and written down by the two Patricks. It is about the Life of Jesus and is full of spiritual teachings as well as a simply fantastic read.

If you cannot wait to read it all, then you can order it from the Sacred Heart House of Prayer. It costs £6.99.

\*\*\*\*\*

In the hill country of Judea, Elizabeth was slowly coming to terms with the gap that Zechariah had left in her life with his death. She still mourned his love. She remembered the life that they had built together over the years, the heartache of relatives dying and the joy of the marriages of the younger ones. His life as a priest that took him away from her and up to Jerusalem; she had accepted the life that God had provided for them and had never complained at his absence. If the Lord wanted her husband to do his work, then she would not, could not stand in his way.

Their life without children had

been difficult but this little one on her knee had made up for the difficulty. They had accepted fully that Elizabeth would never carry a child and this, too, was offered to the Living God.

At times she could feel Zechariah standing beside her and had turned, saying something to him but soon realised that he was not there physically, but perhaps spiritually. She had wept at these times for grief was a spirit that seemed to attack her when she least expected it to, when she thought she was strong again. She sometimes dreamed of Zechariah. When she dreamed of him they were young again; young and free of the burdens of life and they were in love. She had wanted no other man and he had wanted no other woman. She felt again the rare love that they had together and could feel it with her like a friend, always there. She did not want to share these reminiscences with anyone, not even Tamar, for they brought her close to her husband once more and Elizabeth wanted that more than anything. She needed to remember the life she had had with Zechariah; she needed the memories to take his place for a little while for they eased the burden of his death.

She needed to hold on to what she once had for the grief threatened to take all away. She did not want to lose herself in it.

Tamar had proved herself to be a good friend. When Zechariah's death had been announced to her she had collapsed in grief and Tamar had taken over the whole running of the house and saw to the welfare of John while she was incapacitated. She had often spoken to Elizabeth when all had left her to her grief; they had homes to run and families to raise and when grief is not your own it's best to leave you with it. Tamar had not left her but did practical

things and was always there when she needed her.

Elizabeth felt that death had taken the very best of her and she held onto what she had left.

The City of David was slowly picking herself up, after all this time. Rachel still wept for her infants, the innocents that she had lost. No decree or notice had come from Jerusalem as to why the slaughter was necessary and no apologies. Neither Rome, nor Jerusalem thought it of much worth to keep a record of.

# The Plight of Others

## **PRIESTS WHO FOLLOW JESUS IN TRUTH**

### **Thirty Years**

We are celebrating thirty years of the House of Prayer this year. Thirty years of Jesus speaking intimately with us, guiding us through what He called the days to come. None of us could have foreseen or understood, at that time, what Jesus was talking about. He spoke of a time of deception in the Church and a time of persecution of the faithful by the Church. He has been Warning us and Warning us constantly. His Words are being fulfilled, more and more, as each day passes. Pope Francis whom we would

love to love has caused most of us concern, confusion, conflict and grief since the beginning of his pontificate. We have seen how those who publicly disagree with him have been instantly punished.

### **The Black Hermits**

Among the many, who have called out some of Pope Francis' heresies for what they were, were the Black Hermits - Father Stephen de Kerdrel, Sister Colette Roberts and Brother Damon Kelly. They were excommunicated on Christmas day 2019. The worship of Pachamama at the Amazon Synod was the final straw for them and

they wrote a declaration calling the pope a heretic. Referring to a number of bad popes throughout history, they said there was none like this pope *“who by his actions, words and teaching, has thrown the whole Church into confusion.”*

### **Cardinal Burke**

In 2014, Cardinal Burke said the Church under Francis was *“like a ship without a rudder”*. Several days after this, Burke was removed as prefect of the Apostolic Signatura, head of a Vatican tribunal and placed to a largely ceremonial post. This move was widely seen as a punishment for his criticism on elements of Francis’ pontificate.

In November 2023, Pope Francis’ favoured biographer, Austen Ivereigh, has stated the Pope intends to strip Raymond Cardinal Burke of his flat and salary.

In December 2023, Diane Montague explained to Robert Royal on *“The Catholic Thing”* that because Cardinal Burke no longer had an office at the age of retirement, he didn’t have, what could be called in worldly terms, a salary, he now no longer has a source of pension. He is in his mid-seventies and had been on a ventilator for nine days during covid and they took away his healthcare, his pension. On top of that, they increased the amount for his apartment by over four times, he has nothing to live on.

On this same show, Edward Pentin added that he wasn’t even told by the Pope that this would happen. The first he knew of it

was receiving his stipend and a notification that his rent was being over quadrupled and he couldn’t afford it. Edward asked his Italian lawyer friend about this who said it would never be allowed, you would never get an employer or a state imposing this on somebody because it would be criminal. How nasty!

### **Bishop Strickland**

Bishop Strickland, known for speaking the Truth as laid down by Holy Mother Church, is also one of those suffering persecution. He is a well loved bishop who supports those fighting against abortion and trying to live by the Truth. Unfortunately he has been, in worldly terms, sacked from his office.

Bishop Strickland has yet to receive a tangible list of reasons for his removal as bishop of Tyler, Texas. At age 65, he has been forced into retirement as he has no assignment. Cardinal Christophe Pierre, the apostolic nuncio to the United States, met with him on 9 November 2023 and showed him three or four pages of typewritten “issues and concerns” the Vatican had with him. “The most serious” allegation, he said, “was what they called my disrespect of Pope Francis.”

It could be argued that calling the pope a heretic or going against him is a terrible thing to do but when the Bishop is simply trying to point out fundamental Truths such as abortion is murder and same sex unions are not of God, then is he not right before God to

Speak out about such things?

I have only mentioned here three people who are facing this persecution, or are being punished for speaking the Truth but there are countless more of them. Jesus has told us "...All those who try to live in My Truth and guide My people on the Path of My Truth are rejected by those in power within My Church. My good cardinals, bishops and priests are persecuted from within..." Monday 23 October 2023

### **Ask the question**

It seems that disagreements are handled with such severity yet those with sexual crimes harming mentally, physically and spiritually the lives and souls of so many are left to go unchecked, covered over and pardoned. I would ask the question, why are all the sex scandals covered up and how come they go unpunished while those who simply speak the Truth as laid down in the Catechism are dealt with so harshly?

### **Jesus led me...**

#### **Twenty seven years**

I have been going to the House of Prayer for twenty seven years now. I didn't know much about the Catholic faith or the Messages of Love in 1997 but, I started going to Saint Michaels House of Prayer for prayer meetings and because I wanted to learn how to pray, especially the Rosary, at that time. I had started asking questions about the Catholic faith and realised I didn't know much and wanted to learn. I also was living in a situation that wasn't in accordance with the Catholic Teachings.

I didn't expect to continue going to the House of Prayer or make any commitment but Jesus had

other plans! His Love, through the other servants, kept me coming back.

#### **Jesus led me**

Within a few months of going regularly, I took on the Blue Cord of Our Lady along with my sister and, within a few months of that, Jesus gave a Message to say that those who were in the Blue Cord should be given the grey Habit of Humility. We don't know why but Jesus said He knows what is in our hearts. I still didn't have much of a clue at that time but a fire was lit in my heart and Jesus led me.

#### **Visit the Sacred Heart House**

I went to visit the Sacred Heart House of Prayer the following February, in 1998, with another

servant. I was very anxious and a servant called Bridie, who we had never met, was going to pick us up at the airport. I said how will we recognise you? She said she would be wearing the Crucifix and she would know us as we would be wearing ours.

### **Desires just melted away**

I loved the Sacred Heart House of Prayer the minute I walked in. We were made very welcome and shown around. It was Beautiful! While spending time in the prayer room, I felt surrounded with the Love of Jesus and all my worldly ambitions and desires just melted away. I was home now and there was no need to pursue anything else or go anywhere else in the world. No turning back!

I attended Mass in the local parish and it was the Feast of the Presentation, also known as Candlemas. It was very special.

After that first visit, I have returned many times, especially for special Days of Prayer i.e. the Days of Love, the Patrick's Weekend and servants' Days of Prayer and have continued as a servant of the Way of the Sacred Heart here at Saint Michael and the Heavenly Hosts House of Prayer.

### **Turned my life around**

Through the Messages of Love I have turned my life around and discovered the True Faith again. I have been privileged to visit some of the other Houses and have been on both pilgrimages. The Messages gave me hope, when I thought there was no hope for me. When I thought I couldn't be

Forgiven, Jesus told me otherwise in the Messages. Thank You, Jesus, for bringing me into Your Heart. Thank You for loving me and all Your children.

### **I would be lost**

I know if it wasn't for the Houses of Prayer I would be lost, and possibly, other people in my life would be lost too. The Houses of Prayer are the refuges of Love for these times. Thank You, Jesus.

## John Paul II

### APOSTOLIC LETTER: NOVO MILLENNIO INEUNTE *Of his Holiness Pope John Paul II to the bishops, clergy and lay faithful at the close of the Great Jubilee of the year 2000*

#### **The Son's face**

24. This divine-human identity emerges forcefully from the Gospels, which offer us a range of elements that make it possible for us to enter that "frontier zone" of the mystery, represented by Christ's self-awareness. The Church has no doubt that the Evangelists in their accounts, and inspired from on high, have correctly understood in the words which Jesus spoke the truth about his person and his awareness of it. Is this not what Luke wishes to tell us when he recounts Jesus' first recorded words, spoken in the Temple in Jerusalem when he was barely twelve years old? Already at that time he shows that he is aware of a unique relationship with God, a relationship which properly belongs to a "son". When his mother tells him how anxiously she and Joseph had been searching for him, Jesus replies without hesitation: "How is it that you sought me? Did you not know that I must be about my Father's affairs?" (*Lk 2:49*). It is no wonder therefore that later as a grown man his language authoritatively expresses the depth of his own mystery, as is abundantly clear

both in the Synoptic Gospels (*cf. Mt 11:27; Lk 10:22*) and above all in the Gospel of John. In his self-awareness, Jesus has no doubts: "The Father is in me and I am in the Father" (*Jn 10:38*).

However valid it may be to maintain that, because of the human condition which made him grow "in wisdom and in stature, and in favour with God and man" (*Lk 2:52*), his human awareness of his own mystery would also have progressed to its fullest expression in his glorified humanity, there is no doubt that already in his historical existence Jesus was aware of his identity as the Son of God. John emphasizes this to the point of affirming that it was ultimately because of this awareness that Jesus was rejected and condemned: they sought to kill him "because he not only broke the sabbath but also called God his Father, making himself equal with God" (*Jn 5:18*). In Gethsemane and on Golgotha Jesus' human awareness will be put to the supreme test. But not even the drama of his Passion and Death will be able to shake his serene certainty of being the Son of the heavenly Father.

## **Light house**

Happy New Year,  
Saint John Paul said don't be afraid, but I can see in my parish a division between the catholics since the Sinodum (*Synod*) and now with the blessing of people living in sin freely, Fiducia Supplican. I follow your teachings to say that we all

sin but we run to confession ASAP. But nowadays the confessionaries are full of spider webs but the queue to the Communion is very long. But they accuse me of being a Pharisee. (In my parish there are couples not married with children, divorcees, etc that don't do a spiritual communion, they do a normal one). I don't want to judge but it is hard to recognize this Church anymore. Do you realize how fast the time was between the Sinodum and the Fiducia? I think they had already planned both heresies beforehand. I pray for the priests because they lack courage. Sorry for being a bit pessimistic in Christmas.

You are our light house in the middle of the storm.  
Lots of love, Maria

When the Blessed Sacrament is exposed, it is time to fall on your knees and adore Him as He deserves. When after an incident when the Blessed Sacrament was exposed, the people turned the Sacred Place into a noisy market place, totally ignoring their Saviour.

## Silence!

How far we have fallen into the mire,  
Of self-indulgence and idle chatter.  
For, when the King of kings is lifted higher,  
He and He ALONE should only matter.

For the King who bore our sin and shame  
To make us goodly, saved and Heaven fit.  
The One who hung upon the Cross, the very same  
Is He who in the Eucharistic Bread doth sit.

And when the Mass is duly oer, by blessing only,  
We, in silence give thanks, for the Sacrifice done.  
And leave the pews in which WE, the Sacrifice took part,  
Genuflected, thankful and mystically won,  
IN SILENCE!
